

# Poem: Flowers

A colorful illustration of a girl and a boy in a garden. The girl, with blonde hair in a ponytail and wearing a pink dress, is watering a pink flower with a purple watering can. The boy, with brown hair and wearing an orange shirt and brown shorts, is using a shovel to dig in the soil. The background features a green field, a blue sky with white clouds, and a large green bush.

*Flower, flower keep bloom around.  
As you spread good cheer around.  
Be it home meadow or ground.  
You are so beautiful and  
colourful in my town.*
